    - i. Have held 4 orientations to date; 3 in English and 1 in Spanish. 72 participants have completed orientation (55 English / 17 Spanish). Feedback has been very good – shared with the presentation teams for each date as well as LAC chair and State Council. Some of the suggestions have already been implemented in regard to changing some of the order of the material and managing audience questions.
    - ii. There are 6 more orientations scheduled with registration links on the SDRC SDP website. Will be adding more once these are completed and we can see where the need is.
  - b. **IF training:** Mary Ellen Stives informed that an IF training is slated for 7/9/19 in the San Diego area. She is coordinating this with Chris Arroyo. The location is TBD and info will be going out and posted once all details are finalized. If we become aware of other training options, we can post those on our website as well.
  - c. **Meet & Greet / Networking event:** at the last meeting we scheduled this for 6/25/19 however we received feedback that in another area of California they did a similar event and realized it would be better to wait until more participants have completed orientation. Group discussion and agreement to move the Meet and Greet/Networking event to July 31, 2019. Gabby will book the rooms at the Kearny Office and will put together a flyer and manage invites once details are finalized – this will be emailed to participants and posted on the SDRC SDP website. Suggestion from the public that any FMS/PCP/other providers who might attend be asked to send people who speak Spanish and/or other languages other than English.
